Eye lounge chair - oak 74/77/73

50676

Description

Beauty is in the eye of the beholder. With sleek, angular, front legs and flowing smooth connections, the Eye lounge chair is a hallmark solid wooden seating design. The curved backrest, reminiscent of a winked eye, inspired the name of the chair. Think subtle elegance with a stylish edge. Designed by Alain van Havre.

Interior Design Magazine's 2023 HiP Awards - Finalist - Hospitality Seating category.

Designer Alain Van Havre

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, Pl, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
