EASY CARE

For outdoor use, place rugs in covered or sheltered areas and avoid prolonged direct sunlight. Store indoors when not in use. Vacuum or brush both sides weekly and rotate every few months for even wear. For stains, use a gentle cleaning solution (avoid acidic agents, bleach, or white spirit), scrub lightly, rinse, and dry completely.

Never use a high-pressure cleaner. In autumn, increase cleaning to remove debris. Before winter, clean thoroughly, dry completely, and store indoors.

For more detailed explanation, consult our full maintenance instructions on our website.
