Plumea Lounge Chair

Plumea is defined by the harmony of two intentionally contrasting elements. The invitation comes in the form of generous and uninterrupted upholstery that echoes the shape of pillows, evoking the intimate world of dreams. The softness of the upholstery is emphasised by the rigid yet carefully curved supporting structure, bringing this atmospheric and personal mood into the more sociable space of the living area. These two elements, the curves of the support and the softness of the cushion, combine to create something uniquely comfortable. Plumea is available in an extensive range of colours and upholstery options, allowing it to adapt seamlessly to a wide variety of interiors while never compromising its distinctive character.
