Morpho by Tomorrowland

Morpho aspires to create a contemporary Art Nouveau collection of furniture, textures, and accessories for the home.

Morpho is created by Tomorrowland Design Studio in collaboration with architect Dieter Vander Velpen. The collection blends contemporary design with the organic spirit of Art Nouveau, shaped by nature's own geometry. It moves from the delicate structure of dragonfly wings to the curves of roots, branches, and flowing voronoi patterns.

Each piece is shaped through Belgian craftsmanship, as Ethnecraft translates Morpho's sculptural language into refined woodwork.
